Freds Swim Academy Egypt THE swimming school at the Red Sea

The successful European concept with professional swimming lessons during your vacation or also for those living here in Egypt!

Freds Swim Academy offers a unique service for you and your children:

- Water habituation and swimming lessons for babies, toddlers, children and adults
- Experienced European swimming instructors
- European method: more than 15 years with a successful 3-step learn-to-swim program

FREDS SWIM ACADEMY EGYPT guarantees every child individual success after only a few lessons:

- Safe & fun experiences in the water
- Playful introduction for babies & toddlers into the basics of swimming
- A flexible method is corresponding with individual abilities of each child (also disabled persons)
- Individual step by step training to learn the stylistically correct breast stroke technique

Courses for all age groups are currently running. Registration in advance is required. We offer our full services also during the holy month of Ramadan.

Freds Swim Academy Egypt is a registered Egyptian Stock Society Company. Regular trainings assure European safety standards.

The safe and fun way to learn how to swim!
